

MISSION:

- The mission of Lakewood Elementary School is to provide high quality educational opportunities that empower all students to become responsible, productive citizens and enthusiastic, life-long learners.

AT LAKEWOOD ELEMENTARY SCHOOL, WE BELIEVE:

- All students can learn, achieve, and succeed.
- Students learn best when they are actively engaged in rigorous and relevant work.
- The commitment to academic growth is imperative.
- Each student is a valued individual with unique physical, social, emotional, and intellectual needs.
- Open and honest communication among all members of the learning community builds relationships based on trust and respect.
- Honoring instructional time is essential.

- Enrollment: 595
- Free/Reduced Meal Percentage: 40%
- Ethnic Distribution: 66% White, 24% Black, 10% Other
- Number of Teachers: 57
- Number of Counselors: 2

Parent Portal

Student records and progress are maintained and updated through PowerSchool. PowerSchool is an Internet-based student information system. Through Parent Portal, one of the components of PowerSchool, administrators, teachers, and parents have access to appropriate student information including assignments, report card grades, teacher comments, and attendance history, enabling all stakeholders to support teaching and learning. Parents/guardians are also able to review and submit pre-completed back-to-school forms online and customize how they hear from the school system. The Parent Portal can be accessed at <https://ps.stcharles.k12.la.us>.

Technology

St. Charles Parish Public Schools has been ranked as one of the Top 10 Digital Districts in the nation several times by the Center for Digital Education. Technology is integrated into core classes and throughout the school in multiple forms. Each core classroom is equipped with a large screen device, providing a tablet-like experience for teachers and students to collaborate with ease. In addition, each third, fourth and fifth grade core classroom has a Google Chromebook laptop for each student creating a 1:1 personalized experience through teaching and learning. Our school also has a computer lab, mobile laptop carts and iPads.
