

Review of Ph.D Science Module 1 Lessons 1-4:

Since schools are closed for the majority of this week due to Tropical Storm warnings, I compiled a list of lesson videos from Great Minds, the creator of our Science Curriculum. To access them, you will need the following login information.

Watching these videos will give the 5th Grade scientists an excellent review of all of the lessons that they've been taught thus far. If you have further questions or concerns, feel free to contact me via School Status by texting or calling me or email me at tscott@stcharles.k12.la.us. Take care and stay safe!
