This week's goals:

1. Get set up on Zearn with your new username and password (same as Google login).
2. Work on the following lessons for about 30 minutes each day
3. Find some looseleaf or blank paper to begin to organize math work. You will need this for the Student Notes section of Zearn during some lessons.
4. Be sure to check in with me during "office hours" which are listed below.

*-The document with links for these lessons can be found in the Math Google Classrooms. All of the lessons are on one document. Be sure to scroll down!*

*-The quiz on Friday will be graded. It will provide the opportunity for your child to improve his/her third quarter grade.*
