

Mrs. Bracey's Science Weekly Schedule

Practice Week: 4/27/20-5/1/20

Being a scientist is as easy as 1...2...3! Daily Science Tasks

Step 1: Watch the daily video listed in the chart below. The links can be found in the Science Google Classroom each day. Enjoy!

Step 2: Complete any assignments posted in the Science Google Classroom.
(There will be two questions to answer each day about the lesson. These questions will be counted as your quiz grade at the end of the week.)

Step 3: Remember that you should only spend about 30 minutes on science each day. Some of you have already watched the videos and are ready for an additional resource!
