

## GREETINGS FROM MR. GONZALES

Greetings, Tiger Family! It is with great enthusiasm that I bring to you the first entry of the 23-24 Hahnville High School Newsletter! Elizabeth Bourgeret once said, *"Communication is the lifeline of any relationship."* On behalf of the HHS faculty and staff, we look forward to communication about our continued successes this school year!

The 23-24 school year is off to a tremendously successful start! With the devastating challenges of our past (mostly) in the rearview mirror, we are excited to set our sights on the future! Much planning, preparation, reflection, and hard work have already gone into preparing for a successful school year; I am eagerly anticipating the great strides we will make over the coming months. This initial entry comes from a place of profound gratitude, as I remain humbled and honored to have the opportunity to lead a school with a rich history and established tradition of excellence. This year, we will continue to solidify our core values of **Growth, Integrity, and Pride** via our 23-24 theme *"Do for yourself. Do for others. Be Proud."* Those three yet simple statements entail what it means to be an HHS Tiger. As a Tiger Family, we appreciate the opportunity to recognize our progress as we remind ourselves *"While I may not be where I want to be yet, I am better than I was yesterday."* We strive to do what is right for the good of the school and community, regardless of how uncomfortable it may be. Lastly, we take joy in recognizing the fruits of our labor and the outcome of our hard work, both as an individual, and as a collective. With every interaction, I am reminded of the tremendous passion and potential that lies within. Please share my excitement for what the 23-24 school year will bring!

As we continue to realize our potential, I would like to take an opportunity to remind our family that after school HELP (Hahnville Extended Learning Program) has already begun for the 23-24 school year. Please encourage your child to take advantage of receiving one-on-one tutoring from our certified teachers. This is also an excellent opportunity for students to make up tests or assignments they may have missed. It is held on Tuesdays, Wednesdays, and Thursdays until 4:30 p.m. with transportation provided. If you have a concern which may impact your child's success, or if you have a question, please communicate with your child's teacher, counselor, administrator, or myself. Proactive communication is key!

All faculty and staff members have their own web page located at [www.stcharles.k12.la.us/hahnville](http://www.stcharles.k12.la.us/hahnville). There, you can also find teacher contact emails, useful information, school accomplishments, and important upcoming event dates. Your child's grades and attendance can be viewed via the PowerSchool Parent Portal at <https://stcharles.powerschool.com/public/home.html>.

In addition to your child's academic success, the safety of all remains of the utmost importance. Every child has the right to be taught and to grow in an environment free of bullying, harassment, violence, and the threat of illegal activities. Our district and school takes any unsafe or illegal act seriously and has implemented several efforts to ensure our campus is safe. These efforts include a full-time St. Charles Parish School Resource Officer (SRO), along with a "roving" (SRO) between both high schools, on campus during school hours and at most after school events. Furthermore, we remain diligent in monitoring security cameras and vape sensors throughout each building. HHS continues to collaborate with district personnel to refine our Safe Schools program, which includes action plans for every emergency situation, a violence prevention intervention program that includes a 45-day suspension for first offense fights, and our staff's consistent enforcement of rules and procedures.

Thank you for giving us the privilege and joy of teaching your child as part of our HHS family. I look forward to working with you as we partner to guide each HHS student in becoming the young man or woman they wish to be. Remember, YOU are a part of the Tiger Family! We are **Fierce. Noble. Strong. Together!**

## Counselors' Corner

Seniors, be sure to check the "Counselor" section under "Academics" on the HHS website as well as the Counselor Google Classroom for important college and scholarship information.

Senior parents, the counselors have begun meeting with all seniors to give them information about completing the FAFSA. The FAFSA application is being revamped so it will not open until some time in December. Be sure to complete the 2024-2025 application since that is when your student will attend college. Please review all of the important information your senior will be sent home with in order to successfully submit the FAFSA since it is a graduation requirement.

9<sup>th</sup>-11<sup>th</sup> grade parents please know that planning for the next school year will begin soon and we will start meeting with students to have them start the elective course choices for 2024-25 school year. It is always helpful when you take the time to review the "Course Catalog" with your child and evaluate which electives he/she would like to take. This document can be found online under "Academics".

Please make sure your students have joined the correct Counselor's Google Classroom. The counselors will use their Google Classrooms this year to post important information and reminders to the students. If your student needs a Google Classroom code, please have them stop by the counseling office or email their counselor.

Does your high school student speak a world language?

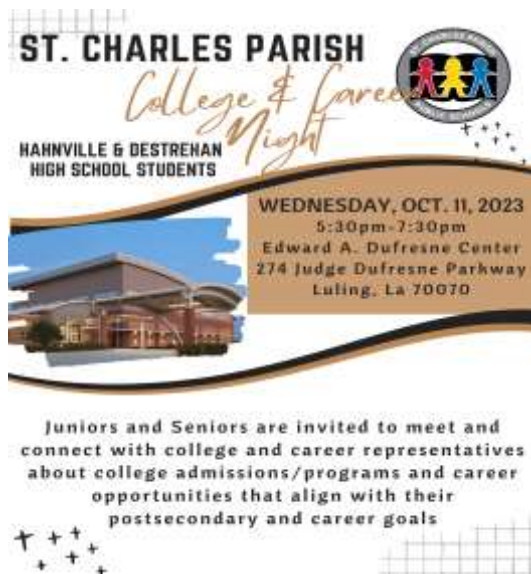

Students who demonstrate their knowledge of a world language on the AAPPL Exam may be able to earn the foreign language credits they need to graduate without taking a foreign language class.

Last year (2021-2022), 49 students used the AAPPL exam to earn 117 foreign language credits.

Ask your counselor for more information about the AAPPL Exam.

Attention Juniors and Seniors: Hahnville will be hosting the ASVAB on Wednesday, September 27th at 8am. The deadline to sign up is Friday, September 1st. If interested in signing up for this test, contact Paige Walther at [pwalther@stcharles.k12.la.us](mailto:pwalther@stcharles.k12.la.us).

## Safe Schools with Mr. George

Safety is our top priority here at Hahnville High School. We value the safety of our students and employees, and we will do everything possible to ensure that we protect our students, employees, and visitors. As such, we wanted to remind you of some of our safety initiatives:

- Students, employees, and school visitors must wear ID badges at all times
- Students may not wear any headphones, air pods, and earbuds during the school day; if seen, these devices will be confiscated
- Students are not allowed to wear any garments with a hood attached to them; if seen, these garments will be confiscated from students and returned to the students at the end of the school day

## STUDENT/FACULTY HIGHLIGHTS

After the students were all sorted, we had our first SSC where they learned how the interest they chose for their SSC could also be a possible career choice. They brainstormed and researched possible careers pertaining to their SSC interest. They also did a personal finance lesson on behavioral finances and consumer skills. They learned about how trends and social media can effect your spending.

### HHS Library Media Center

The HHS Library provides print and online resources for academic needs and personal enjoyment. It is easy to sign up for a library account by using your PowerSchool username and password. Your personal library account will give you access to e-books, digital audiobooks, and our online catalog. You have the ability to browse and place books on hold. If you haven't done so already, we encourage you to sign up for the HHS Virtual Library in Google Classrooms. If you have any questions, contact Ms. Sopczak at [bsopczak@stcharles.k12.la.us](mailto:bsopczak@stcharles.k12.la.us) or Ms. Ana at [apedone@stcharles.k12.la.us](mailto:apedone@stcharles.k12.la.us).

The library is prepping for exciting renovations taking place during the summer of 2024. We are deleting many outdated resources from our library shelves. Although these resources are outdated for our school, they are not outdated for personal use. Teachers and students should feel free to stop by the library to pick up some free books!

**Notice:** In 1986 all asbestos materials were identified in all school buildings. A management plan was developed for each school as per the Asbestos Hazard Emergency Response Act (AHERA). The management plan is located in a binder in the main office of each school. The binders are available for review upon request.

Since the plan was developed, most of the asbestos has been removed. In a few buildings, some floor tile still remains that contains asbestos. All of the schools meet the health requirements that pertain to the regulation. If you have any questions concerning this topic, please contact Kevin Barney, Director of Physical Plant Maintenance at 985-331-3600 between the hours of 7:00 a.m. and 4:00 p.m.

### Message from SCPPS:

Due to federal regulations, HHS is responsible for notifying you annually of the Asbestos Hazard Emergency Response Act (AHERA) management plan at your school.

*In compliance with Title VI, Title IX and Section 504 of the Rehabilitation Act of 1973, this Educational Agency holds the following policy:*

*This is an equal opportunity school and is dedicated to a policy of non-discrimination in employment or training.
