

**Hurst 2020-2021 LEAP Review Materials**

Hurst Families – Our students and teachers have worked hard all year in covering the Louisiana Standards. These standards will be assessed on the LEAP Test, which begins Tuesday, April 27. Our teachers have made review videos for each grade level and subject to help our students review their previous learning and prepare at home. Feel free to have your student click on the links below to review what they've learned this year. This will help them prepare to do their best on the upcoming assessments.
