WEEK OF:

Oct. 23-27 2023

A Week

What We're Learning:

MATH:

Students will work through lessons 18-22 of Module 2 this week. Students will use addition to solve subtraction, write related addition and subtraction facts. We will conclude the week by solving comparison word problems.

READING:

Students are enjoying hearing the similar tales we've been reading. This week we will hear the stories of Little Red Riding Hood and Hu Gu Po as we compare and contrast the events of these stories.

PHONICS:

We will continue practicing reading and spelling one-syllable long vowel words. Students will continue practicing with a_e, i_e, o_e, and u_e this week. Students will continue decoding words as we read our Gran reader. Remember to practice their tricky words with them.
