

MRS. ST. ROMAIN

astromain@stcharles.k12.la.us

Week of:
Nov. 13-17, 2023

B Week

What We're Learning:

Math:

We will continue working through Module 3 on lessons 6-10 this week. Students will solve problems with two addends (parts) by first making a ten with the larger addend. Students will practice drawing pictures, circling ten, and showing how to decompose (break apart) the smaller addend to add ten.

Reading:

We will begin Domain 4 on Early World Civilizations. Students will hear literary non-fiction stories as they learn facts about Mesopotamia this week.

Phonics:

Students will go through the writing process this week as we work together to write a book report. We will continue reading from our Fables reader as students practice the /oo/ sound spelled 'oo'. They will learn that this tricky spelling 'oo' has another sound /oo/ as in look.

Calendar:

November 15th:

Progress Reports go home

November 20-24th:

Thanksgiving Break - No School

November 30th:

Teddy Cares Dress Down Day

December 1st:

Holiday Pictures

1st Grade Field Trip - Artsperience

Notes:

Progress reports will go home this week. Review your child's academic and social progress, then sign and return all documents.

Homework:

Monday	Tuesday	Wednesday	Thursday
<ul style="list-style-type: none">Handwriting PracticeRead 2.2 and record on library log	<ul style="list-style-type: none">Math Page	<ul style="list-style-type: none">Math PageRead 5.3 and record on your library log	<ul style="list-style-type: none">Activity Page 7.2Spelling/Phonics Practice Page

Phonics Spelling Practice:

/o/ - 'o'
(hop)

'o_e' -/oe/
(hope)

'oo' -/oo/
(soon)

'oo' -/oo/
(look)

Tricky Word:
why
