7th Grade Shows Interest In Interest

Students in Ms. Nagele's Math class have been learning about real world application of percents. The project they completed focused on finding scale price and tax from items on amazon. The students have also discussed real world terms such as: interest, commission, mark up, mark down, and tips.

6th Grade Gets Their Game Faces On

6th grades teachers welcome students back to school by encouraging them to "get your game face on" and be ready to start a new semester.

United Way Hurst Donation

This year's Hurst United Way campaign was a huge success! 100% of the faculty and staff made donations, along with student donations through a Beta Club sponsored Bake Sale, and a school-wide dress down day. Over \$7000 will be donated to the United Way St. Charles Parish on behalf of our Hurst family. A huge thanks goes out to the following local businesses for their generosity in donating gift cards as incentives during our United Way campaign: River Road Market, Destrehan Frost Top, PJ's Coffee, Sports Pub & Grill, Destrehan Taste of Tokyo, Sweet Rolls Destrehan, and the Body Art Day Spa and Hair Salon.

A Great Honor For Hurst's Honor Band

In early December, band students from all over the District auditioned on a Saturday morning, with hopes of becoming a member of the District VII Honor Band. Harry Hurst Middle School was represented by nine students. Six of those students were members of the District VII All Youth Honor Band, which was made up of the top 6th and 7th graders in the District. The other three students were members of the District VII Junior High Honor Band, which was made up of the top 8th and 9th graders in the District. They attended an all-day rehearsal in Thibodaux, Louisiana, where they met and worked with students from other schools. Their concert was "lights out", as they school lost electricity in the middle of the concert. The students persevered, and in the end, they were a part of something that they will remember forever.
