

## PRINCIPAL'S MESSAGE

It is hard to imagine that our final month of school has arrived! This has been filled with perseverance and wonderful learning for all students. Our faculty and staff would like to thank our entire school community for your continued support of our efforts. Your support truly makes a difference in our school!

We have so much to celebrate this school year. Our students have continued to strive for excellence and have reached new heights. The faculty and staff have worked hard to provide a high quality learning environment for our students. It is amazing to see the smiles on our kids' faces each day. Our teachers share their love for learning with our students. Parents have supported us in so many ways; we thank you for your understanding through the pandemic expectations and our recovery process.

During the summer months, we hope that you and your families enjoy time filled with relaxing and enjoyable moments with your child. Remember to visit the library over the summer and have your child practice those good reading strategies. Having your child keep a summer journal of special days would be a great way to keep those writing skills developing. Practicing math facts appropriate for your child's grade level would also be a great boost for the next school year.

Lisa Perrin  
Principal

## MISSION

Allemands Elementary School is committed to building the foundation of lifelong learning for all students in a safe, respectful environment.

## VISION

The faculty of Allemands Elementary School embraces the education of all students as a top priority by providing a positive foundation for success to prepare students to meet the challenges within the changing society of the 21st century. There is a commitment from stakeholders to help all students to become college and career ready creating lifelong learners. Our school provides a safe, stimulating, atmosphere that is created through respect for self, others, and our environment. Actively engaged students aspire to reach their full potential, reflecting the high expectations among our faculty, family and community.

# LET'S MAKE DREAMS COME TRUE

## Pictures from the Easter parade

Thank you for your support with the kindergarten Easter parade. It was a great time for all!

# UPCOMING EVENTS

## May

11th	Community Morning Meeting @ 9:10
2nd-6th	Teacher Appreciation Week
4th	Playgroup 10:00 PTA Board Meeting 1:00 in Family Center
10th	Young Authors Celebration
16th	Someone Loves Me Day for 2nd grade
17th	Someone Loves Me Day for 1st grade
18th	Someone Loves Me Day for Kindergarten
19th	Someone Loves Me Day for Prekindergarten
20th	2nd grade parade 1:30 2nd grade Send Off after parade
23rd	Kindergarten Beach Day 1st grade PJ day
23rd-27th	Student Appreciation Week
25th	Early Dismissal 12:45
26th	Early Dismissal 12:45 Community Morning Meeting 9:15
27th	Early Dismissal 12:45 Last day for students

## Newsletter Delivery

As part of our efforts to embrace technology, take care of our environment, and monitor spending, we will have an electronic newsletter delivery. Allemands Elementary will deliver the monthly school newsletters via email. Additionally, the school newsletter will be posted to the school's web page. If you would like a printed copy of the school newsletter, please notify Lakia Butler at [lbutler@stcharles.k12.la.us](mailto:lbutler@stcharles.k12.la.us) and a copy will be sent home each month with your child. Thank you.

## Calendar Revisions

The district calendar has been revised due to Hurricane Ida. You can find the updated calendar at <https://www.stcharles.k12.la.us/domain/2866>

## SIP Stakeholder Group

We are looking for parents, grandparents, and community members to work with us for the 22-23 school year! Our School Improvement Team wants to hear your voice in regards to making improvements to our school. Each month we will hold a meeting with the group of stakeholders to talk about activities and initiatives as well as hear concerns. These meetings are in-person and will last 30-45 minutes. At the last meeting, we reviewed our mission, vision, values/beliefs and activities for next year. If you are interested in being a part of this group, please contact Chellie Killian at [ckillian@stcharles.k12.la.us](mailto:ckillian@stcharles.k12.la.us).

## Early Release Day Reminders

Students will be dismissed at 12:45 on May 25, 26, and 27. Please make sure to have a plan for your child's arrival home. All car rider notes are due by 10:30 to the email, [aesbus@stcharles.k12.la.us](mailto:aesbus@stcharles.k12.la.us). The last day for students for the current school year is May 27, 2022. Thank you for all of your support this year.

## End of Year Performance

May 19th At the Lafon Performing Arts Center @6pm  
This year will be the first year PreK will perform.

## Young Authors' Celebration

To celebrate our school, district and state winners, AES will host a Young Authors' Celebration on May 10, 2022 at 6:00pm. Students will read their writing to the audience and meet as grade levels. Kindergarten will be in the library. 1st grade will be in Mrs. Stoltz's classroom. 2nd grade will be in the Ms. Warrington' class. We hope to see you there!

## Preparing for the 2022-23 School Year

It is vital to continue learning and practicing over the summer. Please make sure to have your child practice their handwriting and writing words or sentences. Have them review their math facts and read with and to an adult. Ask them questions about what they read. Finally, keep them moving and playing! Limit the time on gaming devices and have some fun. We can't wait to see you in August of 2022!

# OUR LEARNING

## pre-k

- We are really SPRINGING into the end of the school year. Our class enjoyed participating in dress up day and showing their spring spirit by wearing Spring shirts.
- April showers bring May flowers.....Although it was a rainy day, we enjoyed hunting for Easter Eggs inside. Each student had to hunt among 228 eggs to find the dozen with THEIR name written on them. This involved identifying their first name and counting one to one from 1 to 12.
- During our PLANTS unit, we have been learning about how plants grow, we have planted and watered seeds, and we have been creating and drawing flowers.

## kindergarten

- During our Skills Strand, we are working on reading tricky and decodable words. Decodable words can be sounded out, but tricky words cannot! See the bottom of our Parent Information Guide for words to practice at home.
- In writing, we are working on writing the sounds that we hear in words to tell a complete sentence. Our sentences match our pictures and tell about a topic.
- In our Knowledge Strand, we are learning so much about plants! We have even planted our own grass seeds and are watching them grow.
- In Math, we are comparing. We have compared length, height, weight, and capacity of different objects.
- We now have optional Tech Tuesday activities to do at home on our Chromebooks. We are so excited to show our families what we can do on a Chromebook.

# OUR LEARNING

## first grade

In the month of May, our first graders are continuing to build their knowledge in all subjects. In Skills, we are learning to read and write words with tricky spellings. We started a new reader, *Grace*. This is a fiction, decodable reader. Have your child discuss the story read in class with you. You can help by asking about the story elements in the story read in class. In Knowledge, we have enjoyed learning about A New Nation To learn more, check out a book at your local library or do some more research on PebbleGo. We had such a fun time at our field trip to the Planetarium. Thank you to those parents that volunteered to chaperone! Your student is learning how to add within 100. Please continue to complete the nightly homework to support your child with the skills we are learning. Please continue to remind your child of the importance in showing CARES throughout our learning day! Let's finish the year strong!!

## second grade

It's Show Time!

We are approaching the end of our 2021-2022 school journey! As we come to the close of a great school year, second graders should be showing what they know about all that they have learned this year. Students are reading chapter books and should be retelling or summarizing each chapter including the central message. All reading strategies should be actively used when reading. When listening to your child read, be sure to have them monitor their reading. Students are writing various genres and will write nonfiction writings in response to a text in CKLA Unit 6. Students wrote poems about famous Americans in our Fighting for a Cause CKLA Knowledge Domain. Correct grammar and conventions should be used at all times when students write. Students have used standard and nonstandard tools to measure length. Our final math topic is geometry and telling time in five minute intervals. Please enjoy noticing various geometric shapes at home and telling time with an analog clock with your child. It's been a great year of teaching and learning. Remember to read and write daily over the summer break. We second graders and third grade teachers requested that students continue studying math facts to prevent summer slide. Students are less likely to forget the essential second grade skills they've learned if they have fun while practicing over the summer break. Thank you for your continued support in your child's success! Have a super summer of home learning!

# Kindergarten Registration

Kindergarten will be mandatory starting the 2022-23 school year for children who are 5 years old by September 30th. Please call AES if you have any questions.

**WHO:** Children who will be five (5) years old by September 30, 2022.

**INFORMATION:** Parents/guardians can register their child for kindergarten either online or in-person.

Both are not needed, unless unable to upload required documentation online.

Registering online & then bringing required documentation to school in-person is allowed.

If your child is currently enrolled in a St. Charles Parish Public Schools' Pre-K or Head Start Program, you do not need to register your child for kindergarten.

Parent/guardian should be prepared to upload online or bring to registration the following documents:

1. Copy of driver's license or state ID of enrolling parent/guardian
2. Proof of Custody (If child is not living with both biological parents, the custody document must be signed by a judge and have a court seal. The document must name the applicant as the physical, custodial, or domiciliary parent.
3. Proof of residency (Two utility bills showing physical address. Only gas, water, and/or electricity bills accepted. Telephone and cable television bills are not acceptable proofs of residency. If renting, one current utility bill and a copy of the lease with all children listed as occupants must be provided. Landlord's full name and phone number must be on lease.)
4. Certified birth certificate for the child
5. Home address, mailing address, and telephone number
6. Social Security card for the child
7. Immunization record for the child

**\*Students registering online or in-person by March 11th will be administered the Kindergarten Screener at an assigned time later in the spring.**

## ONLINE REGISTRATION

Parent/guardian can register and submit documents online at any time. If you are able to upload all required documentation online prior to clicking submit, you do not have to go in-person to school to provide documents.

**WHEN:** Opens Monday, February 14th

**WHERE:** <https://registration.powerschool.com/family/gosnap.aspx?host=StCharlesParishPSD>

Or by scanning this QR code

# ENRICHMENT

## Librarian's

## Letter

***Thank you for helping us to have a successful book fair! Money raised from the sale will go towards buying new books for the library and purchasing reading program prizes.***

**Remember to participate in our school wide reading program:**

**Finley's Fin-tastic Fishies!**

**Please read the letter on the back of the reading log to learn how the reading program works.**

**Blank reading logs can be found online at:**

**<https://www.stcharles.k12.la.us/Page/15936>**

**PreK and Kindergarten students who read 100 books, 1st graders who read 200 books, and 2nd graders who read 300 books will be recognized on a bulletin board.**

**Happy Reading! Love,**

**Ms. Lacey, librarian**

## COUNSELOR'S corner

Let's be bucket fillers!

"A bucket filler is a caring, loving person that does or says nice things.

You feel a bucket when you show love to someone, when you say or do something kind, or even when you give someone a smile. When you're a bucket filler, you make your home, your school, and your neighborhood better places to be. Bucket feeling makes everyone feel good."

Have You Filled a Bucket Today?

By Carol McCloud

Lori Hogan, School Counselor

## French FUN

Bonjour! Happy May! It is hard to believe that our school year is coming to an end. We will be learning some Mother's Day related vocabulary, and reviewing for the remainder of the month. Enjoy your summer!

# A Note from the Family Center

Playgroups will be held weekly on Wednesdays at 10:00.

Please contact Annie Francioni, [afrancio1@stcharles.k12.la.us](mailto:afrancio1@stcharles.k12.la.us) if you have any questions!

## How Can You Get Involved and Be An Advocate For Your Child:

- **Ask questions.**

If something concerns you about your child's learning or behavior, ask the teacher or principal about it and seek their advice. Your questions may be like these – What specific problem is my child having with reading? What can I do to help my child with this problem? How can I stop that bully from picking on my son? How can I get my child to do homework? Which reading group is my child in?

- **Learn about your rights.**

It's important to know what your rights are as the parent regarding special services, English instruction, immigration status, and more.

- **Let the school know your concerns.**

Is your child doing well in school? Is he or she having trouble learning, behaving, or studying? Is there a problem with another student, teacher, or administrator?

## Manténgase informado y apoye a su hijo

- **Haga preguntas.** Si algo le preocupa acerca del aprendizaje o comportamiento de su hijo, pregúntele a la maestra o al director sobre dicho comportamiento y busque asesoría. Sus preguntas pueden ser como las siguientes: ¿Qué problemas específicos tiene mi hijo con la lectura? ¿Qué puedo hacer para ayudar a mi hijo con este problema? ¿Cómo puedo evitar que otros niños intimiden a mi hijo? ¿Cómo le puedo ayudar a mi hijo a hacer las tareas? y ¿A qué grupo de lectura pertenece mi hijo?
- **Aprende sobre sus derechos como.** Es importante saber que sus derechos como padre son con respeto a la inmigración, servicios especiales, la instrucción de inglés, y más.
- **Informarle a la escuela lo que le preocupa.** Si su hijo tiene un problema con los estudios, el comportamiento, o con otro estudiante, maestro o administrador.

# STEAM Article of the Month

Math is the **M** in STEAM! Mathematics is so important to learn about because we use it in our everyday life whether its problem solving, telling time, measuring, graphing, or counting money! We will always have to use Math skills. Here are some fun at home math activities dealing with telling time, counting money, and graphing that you can do at home:

Telling Time: Students can create their own clocks using paper, easter eggs, hula hoops, or legos.

<https://www.weareteachers.com/5-hands-on-ways-to-teach-telling-time/>

Counting Money: Students can practice counting money, buying items, receiving change, making an at home bank.

<https://www.themeasuredmom.com/coin-activities-preschool-kindergarten-first-grade/>

Graphing: Students can survey family members and graph favorite at home items.

<https://www.weareteachers.com/graphing-activities/>

# PTA NEWS

The PTA is getting ready for the end of the year. Please consider helping with the Second Grade Send Off.

Please welcome our updated PTA Board. They meet once a month and would love to have your participation.

## Catfish Character Traits

Our School Improvement Team has designated a character trait each month to teach the Essential 11 Traits each week. In addition, the PTA will support our school by sending home a family activity to practice this trait. In May, we will focus on Honesty. Our teachers will read the book, The Honest to Goodness Truth by Patricia McKissack or Pig the Fibber by Aaron Blabey and review the following topics during the month. Please help us to reinforce the character trait Honesty at home and in the community.

- **Integrity**- Do the right thing when no one is looking.
- **Honesty**- Always be honest, no matter the circumstances, even if you have done something wrong. "Honesty is the best policy!"
- **Hurt or Harm**- If ANYONE (peer, faculty/staff member) in our school hurts, harms you, or makes you feel uncomfortable, let the nearest adult know immediately. We are here to care for you and to protect you!

Let us know if your child shows this character trait at home or the community by returning the information below. We will read it during the announcements to celebrate your child!

Student Name: \_\_\_\_\_

What did he/she do to show honesty in your home or the community?

# Nurse Notes

## 7 Habits of Heart-Healthy Kids

In a culture that is inundated with unhealthy habits and foods, it can be an enormous challenge for parents to instill in their children a good sense of healthy habits. Although it may be impossible to completely avoid fast food, there are plenty of choices that you can make as a family to promote better heart health in your kids.

To teach your children positive habits that will protect them from many forms of heart disease, try adopting some of the following habits.

### 1. Turn off the TV.

Don't let your kids fall into the pattern of endlessly watching TV. If they spend all their time watching TV and sitting in front of the computer now, they'll do the same thing as adults. Set a time limit for the TV or the computer for each day, and then encourage kids to play outside or engage in other activities.

### 2. Develop a dinnertime routine.

If dinner is a family event each evening, kids are less likely to snack throughout the afternoon on less healthy foods. Make a habit of sitting down to eat together so that kids expect a hearty meal at the end of the day.

### 3. Get some exercise as a family.

Instead of going to see a movie, take a hike! Go on a bike ride around the neighborhood or play a game of soccer. Group activities are a great way to make sure that kids get plenty of exercise so that they have strong hearts.

4. Assign active chores.

If you’re having trouble thinking of ways to get your kids off the couch, ask them to attend to chores that require activity. Send them out to wash the car, rake leaves, or mow the lawn.

a healthy-heart not only now, but also as adults.

\*information obtained from [greenhillspeds.com](http://greenhillspeds.com)

5. Serve heart-healthy foods.

Offer your kids meals that include some of the best heart-healthy foods, such as salmon, whole grains, fresh veggies, and nuts. If they become used to eating these foods as children, they’ll be much more likely to make good diet choices as adults.

6. Avoid fried, fatty foods.

This one is a no-brainer. Whenever possible, keep your children from eating any kind of fast food, especially if it has the word “fried” in the name.

7. Teach kids to read labels.

Train your kids to learn about their food before they buy it so that they know what to look for and what to avoid. Reading labels will make them much more conscious of their diet for the rest of their lives.

Following these easy tips will help your children keep a healthy-heart not only now, but also as adults.

Time:	8:00am-12:00pm
Who:	Any 7 year old through 14 year old students
How:	Register at <a href="https://forms.gle/pRjebN82qi4pPe7Z6">forms.gle/pRjebN82qi4pPe7Z6</a>

Registration can be also completed by scanning the QR code below:

# May 2022 Elementary Menus

**ST. CHARLES PARISH PUBLIC SCHOOLS**

This institution is an equal opportunity provider. Menus are subject to change.

*Available Daily*  
**With all meals:**  
**Low Fat White Milk**  
**Fat Free Flavored Milk**  
**At Lunch:**  
**Sandwich Choice**

## COOK FRESH.

A lot of processed foods -- cereal, ketchup, cheese, and soda, to name just a few common items -- are often loaded with sodium (whether you can taste it or not) and most restaurant meals are very high in salt, too. In fact, the best way to be sure that your family is not eating too much sodium is to cook fresh foods at home and keep your hands off the shaker.

**EAT BETTER. PLAY HARDER. LIVE HEALTHIER. LEARN EASIER. WELLNESS IS A WAY OF LIFE!**

# CINCO de MAYO

Cinco de Mayo (Spanish for "May Fifth") is a time to celebrate Mexican-American food and culture in the U.S. It's a much bigger deal here than it is in Mexico!
