Dear Parents:

Dear Parents:

During the course of any school day, events may occur which threaten the safety and well being of both students and school personnel. These disruptions may be weather related, man-made disasters or situations within the confines of a building site. Whatever the situation, it is imperative that appropriate and organized action be taken.

A Crisis Management and Emergency Response Plan addresses multiple emergency/crisis situations and ways of responding to them. All members of the school community have been assigned specific roles in the process and have been in-serviced as to its implementation.

Occasionally emergency situations may warrant the closure of schools. Because this causes the interruption of family routines, this procedure will be followed only if it is the most prudent one available. If within our control, the decision to close any or all schools will be made as soon as possible so impacted parents can make appropriate arrangements. Stakeholders will be notified of school closures and other information relative to the event through the district's messaging system (Blackboard Connect) and Cox Cable Channel 8. Additional information will also be provided through WWL 870 AM and New Orleans television stations.

Generally speaking, we prefer not to send students home during school hours. In fact, we will house them late into the day or even overnight if the situation makes it unsafe to send them home. Please note that if a school is ordered to provide shelter-in-place or to evacuate to protect the safety of the children, students will not be released from the custodial care of the school until the danger has passed. Therefore, parents are requested not to come to the school to pick up their children in such an emergency situation. Relying on school buses to transport students home on normal bus routes when it is safe to do so will help avoid traffic congestion in and around schools and help keep parish roads clear for essential emergency vehicles. Necessary information will be provided through the channels previously mentioned.

If it becomes necessary to close schools early, middle and high school students will be dismissed first, followed by grades K-5. Parents should develop a plan to deal with the early arrival of their children from school. Bus drivers will monitor the safe arrivals of K-5 students at their homes. If students cannot be safely let off the bus, they will be returned to their schools or to a predetermined site. It is our goal to provide a safe haven for our students through the cooperative efforts of schools, parents, and students. Thank you for your assistance.

Sincerely,

Dr. Ken Oertling  
Superintendent

Welcome to Allemands Elementary!

On behalf of the staff at Allemands Elementary School, I am happy to welcome you to a new school year. We recognize that in order to be successful our children need support from both the home and school. We are looking forward to a productive partnership with you to ensure our children can reach their highest potential.

Communication is the key to a successful educational experience. When our teachers contact you for the first time, please save the number used by the teacher; this phone number will be utilized all year. We invite you to become an active participant in our school community by volunteering, joining our PTA, joining our Stakeholder Group, and supporting and participating in school events. Together, we will continue to provide the best for the children at Allemands Elementary School.

The information presented in this handbook is vital to develop an understanding of school guidelines and procedures. Important information about district policies and school procedures for this school year are included in this booklet. If questions arise, feel free to call the school for clarification.

Our school mission is the focus of our most important work. At AES, we are committed to all students obtaining the knowledge and skills to build a strong foundation and become productive citizens. We know that you will join us as part of the team to help your child succeed.

After reviewing the policies, procedures, and general information in this handbook with your child, please sign and return the handbook form to your child's teacher. If you have any questions or concerns, contact me at 985-758-7427.

Sincerely,

Lisa Perrin

## Title I Parent Handbook

2023–2024

### Title I Parent Handbook

#### **Overview of Title I**

In 1965, the United States Congress passed the Elementary and Secondary Education Act to improve the quality of education in the United States. Since the initial authorization, Congress has added to and reauthorized the act five times. The previous version of the law, the No Child Left Behind (NCLB) Act, was enacted in 2002. NCLB represented a significant step forward for our nation's children in many respects, particularly as it shined a light on where scholars were making progress and where they needed additional support, regardless of race, income, zip code, disability, home language, or background. The Every Student Succeeds Act (ESSA) was enacted December 10, 2015. This latest reauthorization creates a better law that focuses on the clear goal of fully preparing all scholars for success in college and careers.

Title I of The Every Student Succeeds Act (ESSA) remains the largest federal aid program for education in the country. To receive these funds from the federal government each state must submit a detailed plan describing what all children are expected to know, the standards of performance that all scholars are expected to meet, as well as ways to measure scholars' progress. The Louisiana Department of Education allocates money to the St. Charles Parish Public School District based on the number of low-income families living in the parish. The district sends funds to schools with the highest percentage of economically disadvantaged scholars. These schools identify scholars most in need of educational help, set annual goals for improvement, measure student success, develop programs that add to the regular education programs, and collaboratively work with parents in all aspects of their scholar's education. Parents, administrators, and teachers evaluate the district and school plans annually and revisions are made based on the most current data, and school needs.

#### **Title I in St. Charles Parish**

The Title I Program in St. Charles Parish believes that all students are or can become scholars. A scholar is described as a learned person who has exhibited accelerated learning competencies and/or possesses high content knowledge of particular subjects. SCP will provide access and opportunities for **all** student to accelerate, with expectations of them becoming scholars. We support acceleration in reading for scholars in kindergarten through 8th grade and four early childhood classes, two at each Title 1 schoolwide elementary

schools. At the middle school level, Title I supports math interventions at Albert Cammon, and R.K. Smith middle schools. The Title I Program also has established Family Learning Centers at the Title I Schools.

The Family Learning Centers enhance student achievement by providing parent workshops (both academic and social/emotional), Literacy Play Groups, home visits, materials for check out and general support for families.

St. Charles Parish has shifted to a schoolwide district. The schoolwide program is authorized under Title 1, Part A. It is a service delivery model for Title 1 schools that allows schools to support costs associated with **whole school improvement** to raise the achievement of **all** students, particularly working below grade level standards/benchmark.

The Title I program gives selected scholars the opportunity to move ahead using many different teaching methods. These include individual instruction, small group instruction, and computer assisted instruction. Highly qualified Title I teachers provide opportunities for scholars to experience success in reading and math so that lifelong skills are developed and negative attitudes toward reading and math are minimized or eliminated. Title I teachers work closely with classroom teachers to ensure the success of each student.

### **Current Title I Programs for scholars include the following:**

- Tier III intervention program focused on assisting the most at risk K-3 grade scholars to accelerate in Phonemic Awareness and Phonics support.
- Tier II reading intervention support with the use of the core that reinforces student learning of the foundational skills necessary for reading on grade level text.
- Math intervention instruction at the middle school level that focuses on intrinsically motivating scholars, developing their number sense and grade level standards, understanding of operations and fractions, understanding of ratios and proportional reasoning, and arithmetic of rational numbers using small group instruction

### **Parent and Family Engagement**

Studies over the past three decades have shown that children whose parents/families are involved in school activities have higher achievement scores. By taking an active role in your scholar's school, you show your child that you and the school are a team working together to increase their success.

#### ***What is parent and family engagement?***

Parent and family engagement is a parent's/family's active participation in the educational life of their child. Getting your child to school every day is parent engagement. Helping out in your scholar's class is parent engagement. Attending meetings, workshops, and activities sponsored through Title I and the school is parent engagement. Serving on committees is parent engagement. **Family engagement is an empowering partnership among families, educators, practitioners and the community with shared responsibility for the personal success of children and youth**

#### ***Why do parents and families need to be involved?***

- Parents and families need to understand ways to support their scholar's in academic content and social emotional learning.
- Parents and families need to understand, that just as scholars have changed, teaching techniques and methods have also changed to meet the demands of today's scholars. By observing in your scholar's class, you can see firsthand how children are being taught and ways to support the school's effort.
- When children realize that their parents and families consider school activities important enough to visit, observe, and participate, they recognize learning is important.
- A scholar's self-confidence is based on how well he/she learns what he/she is supposed to learn. Research findings point to positive academic achievements as self-esteem builders.

- The Title I program and the school need parents and families to be involved. Team work will help all children perform to their highest potential.

### ***How do I get involved?***

The easiest way to get involved is to talk to your scholar's teacher or visit the Family Learning Center at your scholar's school. **As your scholar's first teacher**, you can assist the teacher in meeting many of your scholar's needs. Establishing a friendly open and honest relationship with your scholar's teacher is the first step. The Family Learning Center is your place to ask questions, get involved, clarify information and get to know the school. Become a school volunteer! Parents are always welcome and encouraged to participate.

**Louisiana LITERACY**

**BUILDING LITERACY SKILLS AT HOME**

**PRE-SCHOOL & EARLY ELEMENTARY (AGES 4-6)**

It is never too early (or late) to start doing literacy activities with your child. Strong literacy skills are essential for development and provide a foundation for school and work performance, social skills, and solving problems in all subject areas. Just a few minutes spent each day on simple literacy activities can add up to a lifelong love of reading and learning! These literacy-based activities are great for your preschool or early elementary age child.

**READING**

- HEART READ EVERY DAY!**  
Getting into the habit of reading every day for at least a few minutes is helpful for your child's development.
- HEART THINK ALOUD AS YOU READ.**  
Point out what you see in the pictures. Talk to your children about what you are reading. What did they like about the story? What didn't they like?

**WRITING, DRAWING, & CREATING**

- HEART EXPLORE FEELINGS.**  
Creativity and ideas can be expressed by drawing pictures.
- HEART BE CREATIVE.**  
Paper, crayons, markers, glue, and even household items like noodles, boxes, and sponges can be great tools for creativity.
- HEART MAKE STORIES.**  
Encourage your child to "tell stories" to you. Write their story down for them in a booklet (just a few pages of stapled paper is fine!), and have them illustrate their story.
- HEART PLAY "FIRST, NEXT, LAST."**  
Have pictures of different scenes from stories you read, and have your child sequence the events using the pictures. Have them retell the story.
- HEART PAINT WORDS WITH WATER.**  
Get a clean paintbrush and small bucket of plain water. Go outside and let your child paint letters or words on the walls, sidewalk, or fence.

**SPEAKING & LISTENING**

- HEART BUILD VOCABULARY.**  
Talk with your child about everything. Describe the world around them in real (adult) terms.
- HEART EXPLORE RHYMES AND SONGS.**  
These can expose new words and develop speaking skills.

## **St. Charles Parish Schools Parent and Family Engagement Policy**

The St. Charles Parish School Board recognizes that parent and family engagement is essential as we partner to educate our district's scholars and prepare them for life-long learning. This responsibility is shared by the family, school, district and community who must work together as knowledgeable and collaborative partners. It is the intention of the district to cultivate and support active family involvement that supports student learning.

- I. For schools receiving Title I Part A funding, the St. Charles Parish School Board:
  - A. Involves parents and family members in jointly developing the local educational agency's (LEA) Title I, Part A plan, and the development of school support and improvement plans.

- B. Provides the coordination, technical assistance, and other support necessary to assist and build the capacity of all participating schools within the LEA in planning and implementing effective parent and family engagement activities that improve student academic achievement and school performance. This may include meaningful consultation with employers, business leaders, and philanthropic organizations, or individuals with expertise in effectively engaging parents and family members in education.
- C. Coordinates and integrates parent and family engagement strategies to the extent feasible and appropriate, with other relevant Federal, State, and local laws and programs.
- D. Conducts, with the meaningful engagement of parents and family members, an annual evaluation of the content and effectiveness of the parent and family engagement policy in improving the academic quality of all schools served under this part, including identifying:
  - 1. Barriers to greater participation by parents/families in activities authorized by this section (with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background);
  - 2. The needs of parents and family members to assist with the learning of their children, including engaging with school personnel and teachers; and
  - 3. Strategies to support successful school and family interactions;
- E. Uses the findings of such evaluation to design evidence-based strategies for more effective parental and family engagement, and to revise, if necessary, the parent and family engagement policies described in this section.
- F. Involves parents in the activities of the schools, which may include establishing a parent advisory board comprised of a sufficient number and representative group of parents or family members served by the LEA to adequately represent the needs of the population. This advisory board will help develop, revise, and review the parent and family engagement policy.

## **Parents' Right to Know**

As mandated by federal law, you have the right to request information about the qualifications of anyone who instructs your child. If you request this information in writing, the school district will provide you with information about the teacher's certification. If your child is provided services by paraprofessionals, then the school district will provide you with information about their qualifications.

You can also find out about a teacher's certification on the Internet. Just visit the Louisiana Department of Education's web site at [www.teachlouisiana.net](http://www.teachlouisiana.net) and click on the Teacher Certification Center. To enquire about a teacher's certification, select Public Access, then enter the teacher's name to view the areas of certification. If you have questions you can contact the school or call the Title I office at 985-785-3163.

## **Derechos de los Padres de Familia**

Por mandato de la ley federal, usted tiene el derecho de pedir informacion acerca del grado educativo de cualquier persona que de instruccion a su hijo. Si usted pide estos datos por escrito, el distrito escolar le dara dicha informacion sobre la certificacion de cualquier maestro. Si su hijo recibe servicios de un asistente escolar, el distrito escolar tambien le puede dar informacion sobre el nivel academico de dicha persona.

Tambien se puede averiguar el nivel educativo de un maestro por medio de la Internet. Visite el Website del Departamento de Educacion de Louisiana, [www.teachlouisiana.net](http://www.teachlouisiana.net). Apriete donde dice Teacher Certification Center. Para averiguar el nivel educativo de un maestro, apriete donde dice Public Access, escriba el nombre del maestro y podra averiguar las areas en la cuales este certificado a enseñar. Si tiene alguna pregunta llame al la escuela de su hijo o a la oficina Title I, numero 985-785-3163.

## **Grievance Policy and Procedures**

The Title I Program welcomes constructive criticism of the program whenever it is motivated by a sincere desire to improve the quality of the program. All complaints should be submitted in writing. If writing is a problem, appropriate assistance can be given at any level. The proper channeling of complaints involving instruction, discipline, or programs is listed below.

1. The Title I, classroom teacher, and counselor can help with questions and concerns about children's needs.
2. The school administrators can provide information about programs, curriculum, rules and staff at the scholar's school.
3. The District Title I Director and/or coordinator directs the local Title I program.
4. The Assistant Superintendent of Curriculum, Instruction, and Assessment can answer questions about curriculum matters including testing.
5. The Director of Elementary Schools can answer questions about district-wide programs.
6. The Assistant Superintendent of Administrative Services can answer questions about district-wide programs, policies, and procedures.
7. The Superintendent can also answer questions about district-wide programs, policies, procedures, and budgets.
8. The State Title I Director can provide information on state programs and policies.

For more information see the district's grievance policy on our web site at [www.stcharles.k12.la.us](http://www.stcharles.k12.la.us).

## STUDENT CODE OF CONDUCT HANDBOOK

At the beginning of the school year, every student is given a copy of the current edition of the **St. Charles Parish Public Schools' Student Code of Conduct Handbook**. It is a collection of the most important school board policies and procedures regarding attendance and discipline. Refer to the **St. Charles Parish Schools' In Box**. It located on the website at <https://www.stcharles.k12.la.us/scpps>.

## SCHOOL DRESS CODE

Students in grades K-12 have been required to wear official school uniforms. Students are allowed to wear jeans **ONLY** on **Fridays**. **Cargo pants are not allowed**. Spirit shirts are allowed throughout the week and may be purchased from PTA at any time. Allemands event shirts such as Fall Fest, parade, or 2<sup>nd</sup> grade send off may be worn on **Fridays only**. During the fall/winter months, students go outdoors for recess; proper attire should include jackets/coats. Please clearly label or write student's full name inside jackets/coats. **Students cannot wear pullover hoodies; only jackets that open the entire front may be worn with hoods**. Students are discouraged from open-toe sandals and heels to school due to

potential hazards during physical activities. Shoes must have foot restraints for the entire foot. **Backless shoes and crocs are not allowed (ex. flip-flops, backless sandals, etc.)** Shoes that are deemed unsafe by administration will not be allowed at school. The official dress code for Allemands Elementary students is described below. **Students may not wear leggings or tights in the place of pants.**

<b>GIRLS</b>
<b>Blouse:</b> Collared white or navy blue shirt/blouse (Dress/oxford or polo/golf-type shirt)
<b>Pants/Skirt/Shorts/Skort/Jumper:</b> Navy or khaki (no shorter than 2" above the top of the kneecap).
<b>Navy, white, or black leggings or tights may be worn under skirt, shorts, skort, or jumpers. No bold prints will be allowed.</b>

<b>BOYS</b>
<b>Shirt:</b> Collared white or navy blue shirt (Dress/oxford or polo/golf-type shirt)
<b>Pants/Shorts:</b> Navy or khaki (no shorter than 2" above the top of the kneecap)

<b>SPIRIT SHIRTS</b>

<b>OUTERWEAR</b>
Outerwear must open the length of the front by snapping, buttoning, or zipping. <b>NO HOODED SWEATSHIRTS</b> may be worn.

### **PERSONAL ITEMS FROM HOME**

Personal items such as toys, phones, music players, etc. should not to be brought to school unless requested by the teacher. These items may be taken by administration and returned to a parent in person.

### **RECESS**

Allemands will have breaks during the day. These recesses or brain breaks will occur each day to give students time away from classroom instruction. Recess and/or brain break will occur indoors and outdoors.

### **DISTRICT CHILD ABUSE AND NEGLECT POLICY**

The law and district policy requires any member of the Allemands Elementary School staff to report any suspected cases of child abuse and/or child neglect to the Department of Child and Welfare Services (DCFS) and to the St. Charles Parish Sheriff's office. For more details, see the Student Code of Conduct or district policy.

### **DISTRICT SEXUAL HARRASEMENT POLICY**

Sexual harassment of or by any student and/or employee is prohibited by the St. Charles Parish School Board. Please refer to the policy and procedures regarding sexual harassment in the Code of Conduct District Handbook.

## **STUDENTS IN THE BUILDING**

No student will be allowed in the building before or after school without special permission from the principal. All students will begin entering the building at 8:30.

## **SCHOOL SUPPLIES**

Each student is required to come to school prepared to learn. It is the responsibility of the parents to provide school supplies. If there is hardship in the home and a need for support to provide supplies, please follow the procedures for fee support in the fees section of the handbook and contact our counselor.

## **FEES**

Supply fees are collected at the beginning of the school year. Students are required to provide \$8 for a fee which will be collected by the homeroom teacher. These fees are used for consumable items used by students in the classroom. In addition to the supply fee, a technology fee of \$20 will be required; however, there is a maximum amount for the technology fee per family of \$40; a form must be completed at the school in which you are paying fees in order to notify other schools. Fees can be paid online with a credit card by going to <https://osp.osmsinc.com/StCharlesParish/>. Please visit this website for easy payment methods.

The principal may reduce or waive fees for economically disadvantaged students and students whose families are experiencing economic hardships and are unable to pay them. All requests for hardship waivers will be confidential.

In order for fees to be reduced or waived, the parent must complete a written request for economic hardship and submit the request to the principal or counselor. The principal will conference with the parent or guardian within five school days from the request for the economic hardship waiver. After the conference, the principal will write an agreement of terms of the economic hardship to the parent or guardian within five days. A copy of the agreement will be maintained at the school. A parent or guardian may appeal the decision using the procedure associated with the St. Charles Parish School Board's Policy, Complaints from the Public. This request for economic hardship may be written for school fees as well as field trip fees, if needed. In accordance to the St. Charles Parish School Board's Policy, fee details are published on the Allemands Elementary website.

## **ROLE OF THE GUIDANCE COUNSELOR AND MENTAL HEALTH PROFESSIONAL**

The school counselor teaches proactive social strategies and social emotional curriculum to all students each week during their enrichment time. She works with our faculty to promote individual student compliance with our school-wide behavior plan. Teachers may refer a student to the counselor or mental health professional for helping the student to exhibit appropriate behaviors and to ensure the student understands the consequence(s) of the violation of the school rule(s) broken. After administrators have completed necessary disciplinary actions, they refer the student(s) to the counselor for additional support. The Mental Health Professional is another resource for our students. The MHP works with groups and individual students. If you have any concerns about your child, please contact either or counselor or mental health professional.

## **BEFORE AND AFTER SCHOOL CHILD CARE PROGRAM**

R. J. Vial is the site for the St. Charles Parish Public Schools Before and After School Care program for students at Allemands Elementary School. Before school care begins at 6:00 a.m., and after-school care ends at 6:00 p.m. Please contact Jevonna Lawrence at (985) 758-1329 to register for before and/or after care questions. Before and after care services require preregistration.

### **BUS RIDERS**

Students riding the bus are within the control of the school. The bus operator's main job is to provide for the safety of all students; therefore, all expectations must be followed while on the bus. Please follow guidelines listed below:

- **No student will be allowed to ride another bus unless it is based on custody agreements.**
- Parents must provide the school and district with the transportation address.
- Students must have their bus identification card to board the bus. This card will be attached to the child's school bag with a school-issued lanyard. Please make sure your child brings their school bag and transportation card to school every day. If a card or lanyard is lost, the first is replaced without a cost; however, each subsequent card or lanyard will have a replacement fee. The lanyard will be \$1.00, and the cards will be \$2.00.
- Parents will be able to download a phone app. Please contact transportation at 785-6289 for answers to your questions about the bus app.
- Students must remain seated at all times while the bus is moving.
- There should be no loud talking or yelling at any time on the trip to and from school.
- Parents should make arrangements to have someone receive their child from the bus. If no adult is visible to receive the child, the bus operator will bring the child back to Allemands.
- Change requests must be made in writing i.e., handwritten notes, faxes (758-2221) or e-mails (aesbus@stcharles.k12.la.us), prior to 2:30 p.m. of the full day(s) requested or 10:30 a.m. on the early dismissal day(s) requested. **The only change allowed is to be picked up as a car rider.** All notes should be on a full sheet of paper. Please use the change of transportation form on page 42. Include your child's full name, teacher's name, date of the change, who is picking up your child as a car rider, and your signature. **Phone calls will not be accepted to change the means of transportation for ANY student.**

### **BUS EXPECTATIONS**

- Walk safely to and from the bus.
- Always stand away from the road while waiting for the bus. Wait patiently for the arrival of your bus. Make sure to have an adult waiting with you for the bus.
- Be prepared to enter the bus when it arrives.
- Have your transportation card ready to be scanned when boarding the bus.
- Show C.A.R.E.S. (Cooperation, Assertion, Responsibility, Empathy, and Self-Control) and follow Allemands' Essential 11 at all times.
- Treat the bus operator, other passengers, and the bus with respect.
- Throw paper or other trash in the garbage can on the bus.
- Avoid unnecessary conversation with the bus operator.
- Use proper language and an inside voice on the bus.
- Get on or off the bus only when the bus is **NOT** moving.
- Stay seated in assigned seat and keep hands, arms, and head inside the bus at all times.
- Keep hands to yourself.
- Keep the aisle of the bus clear at all times.
- All items should be kept in the schoolbag while on the bus and at the bus stop.
- Follow all rules posted by the bus operator to keep safe.

## CAR RIDERS

### Morning Car Riders' Arrival Procedure

Children who do not ride the bus to school must arrive at school between 8:30-8:40 a.m.. For the safety of our students, faculty and community, we are requesting that parents follow these guidelines:

- Enter only at the north driveway (closer to Hwy. 90) and exit only at the south driveway. Please do not block WPA Road traffic when either entering or exiting the driveways.
- Observe the speed limit (5 miles per hour).
- In the morning between 8:30 a.m. and 8:40 a.m., please form a **single line** to drop off students. Please drive up to the sign, "Car riders begin here". Parents must remain in this car line in order to allow other traffic and parking flow.
- At 8:30 a.m., duty teachers will release students from cars.
- Parents will not be able to park and enter the building with a child unless there is approval by the principal.
- Students will be released from the passenger side of the car and will walk along the sidewalk to the school entrance.
- If you arrive after 8:40 a.m., please park your car in a parking space before reporting to lobby to sign in your child. Parents must remain in the office area when signing in their child.
- Please do not park in the unloading area.
- Cars are not allowed in the bus circle behind the school.
- **No student is allowed to walk or ride their bike to school.**

### Afternoon Car Riders' Dismissal Procedure

If you plan to pick up your child daily, the Car Rider Dismissal Form must be signed and returned before students are called to the music room daily.

- Parents will park their car and walk to the designated areas outside of the music room to pick up their child.
- Parents may not park in the fire lane and may only park in the handicap parking with the appropriate parking tag.
- At 3:40 p.m., students will be called to the music room; parents will sign out their child and walk with them from the outside of the music room to their car.
- Any bus rider wishing to become a temporary car rider must complete a Change of Transportation Form. All requests must be made in writing i.e., handwritten notes, faxes (758-2221) or e-mailed (aesbus@stcharles.k12.la.us), prior to 2:30 p.m. of the full day(s) requested or prior to 10:30 a.m of the early dismissal day(s) requested. All notes should be on the change of transportation form or a full sheet of paper. Include your child's full name, teacher's name, date of the change with clear instructions, and your signature. Please refer to the change of transportation form on page 42. Classes will be notified of car riders of the day. **Phone calls will not be accepted to change the means of transportation for ANY student.**

## STUDENT ATTENDANCE

All students are expected to attend school every day he/she is not ill; therefore, it is imperative to send your child to school. Please follow guidelines below:

- a. According to state law, elementary school students must be in attendance a minimum of 167 days per school year. Students' absences cannot exceed 10 days for the school year. Exceptions can be made only in the event of personal illness or circumstances as approved by the Parish Supervisor of Child Welfare and Attendance. The supervisor requires documented excuses for each and every day of absence.
- b. **All absences must be excused within 3 days of the absence by parent note (2 days per nine weeks), medical note from physician or state-licensed nurse practitioner, or extenuating circumstance approval.** Refer to the District Code of Conduct for additional information.

- c. It is your responsibility to notify the teacher by calling the school or texting her via the phone number provided when your child is or will be absent (758-7427).
- d. When tardy, it is necessary for the child to be signed-in by the person bringing the child at the receptionists' desk. **DO NOT DROP YOUR CHILD OFF IN FRONT OF THE SCHOOL**
- e. Recognition for "Perfect Attendance" requires a student to attend school every day from 8:40 a.m. until dismissal (3:40 p.m. on regular days and 12:45 p.m. on early dismissal days). Neither tardiness nor early check-outs are acceptable for perfect attendance. Excused doctor visits also make a student ineligible for perfect attendance recognition.

## **STUDENT ILLNESS**

**Please keep your child home if he/she is sick.** We cannot accept a child who has fever or is temporarily contagious. If your child becomes sick at school, he/she will be removed from class. You will be notified and the student will remain in the office until picked up. If we cannot reach you, we will contact someone on your child's emergency list. It is extremely important that phone numbers are always up-to-date, so please report any changes to the school immediately.

Allemands Elementary School, in conjunction with the St. Charles Parish School Board, follows current public health practices, rules and regulations governing the control and prevention of communicable (contagious) diseases that are established by the State Department of Health. **Any child exhibiting evidence of any communicable disease or infection will be promptly excluded from school.** These children will be readmitted to school only after providing evidence of having received treatment from a physician i.e., doctor's note and/or being checked by the school's nurse.

## **HEAD LICE**

Students with nits only will be monitored by trained personnel for sign of infestation of live head lice. Such students may be excluded in specific situations as deemed necessary. Students with live head lice will be removed from class and the parent will be contacted. The school may find it appropriate to screen other students in the classroom or school. Students who are excluded should be brought to school after treatment to be checked by the school nurse and must be clear of live lice before returning to class.

## **MEDICATION**

Children who are sick from an acute illness should remain at home until the student is feeling better, and medication is no longer needed. **Special circumstances do exist for health problems that involve long term use of medication. If such a situation arises, the nurse must be informed as to the procedures to follow.** Any medication brought to the school without contacting the nurse cannot be administered. If a student who takes a routine medicine is administered a prescribed change in medication or dosage, he/she must remain at home under observation for 24 hours before returning to school. **No medication can be sent to school with a child.** See page 33 for options for routine medicines for a child on a field trip.

## **IMMUNIZATIONS**

Louisiana Law and local School Board Policy require all children in Louisiana schools to maintain up-to-date immunization records. As such, failure to comply will result in a student being excluded from school until appropriate documentation is received at school.

## **MEDICAL EXCUSES FOR PHYSICAL EDUCATION AND/OR PHYSICAL ACTIVITY**

Generally, a student well enough to be in school is required to participate in all classes, including those which require physical activity. When a situation arises wherein a student cannot engage in physical activity, or physical activity would be harmful for a student, the following procedure is to be followed.

**Parent/guardian must contact the school to notify administration that the student is unable to participate in physical education activities.**

In addition, the student is to bring an excuse signed by a parent or guardian to the homeroom teacher. The excuse should note the length of time the student is to be excused from PE or physical activity. The teacher gives the excuse to the school nurse or administrator who notifies other appropriate staff. The teacher may assign alternate assignments that do not require physical activity for the student.

A physician's note is required for students to be excused for more than five days of Physical Education class or any other class in which physical activity is required. The physician's note must include the date that the student can return to normal activity and participation levels.

## **EXCUSES FOR STUDENTS WITH TEMPORARY LIMITED MOBILITY IN AND AROUND SCHOOL AND CLASSROOMS**

When a situation arises wherein a student has temporary, limited mobility in and around school and/or classrooms, the following procedure is to be followed. The student is to bring an excuse signed by a parent or guardian to the homeroom teacher. ***It is preferable that the parent or guardian make an appointment with the school nurse or administration to report the physical limitations and discuss a possible accommodation plan.*** The school nurse or administrator will notify other appropriate staff (including the school office specialist) regarding the limitations and accommodations.

## **LEAVING SCHOOL BEFORE DISMISSAL**

If you pick up your child before dismissal, you must sign him/her out through the office or follow the special events procedures. If a child is picked up before or during dismissal in the office, regardless of the time, early checkout procedures will be enforced. A photo ID is required for check-out, and the person checking out the student must be on the emergency card. Once you have signed your child out, you must leave the campus with the student.

## **STUDENT PROFILE/ EMERGENCY INFORMATION**

**Parents are expected to update the Student Profile/ Emergency information on Parent Portal each year. Please make certain that phone numbers, email addresses, and postal addresses are updated as needed.** Being able to reach a parent in an emergency situation is a priority for each child. As these phone numbers and/or address changes, please come to school or call to update the form. Cell phone numbers must also be listed. Legal documents regarding students must be filed in the office and noted on the emergency cards. If there is a change in persons authorized to pick up a child, a parent must come to the office to make these changes. **Please be sure to list ALL adults eligible to pick up your child(ren). In order for a guest to eat with a child at lunch, the person must be on the emergency card.**

## **LEGAL CUSTODY**

If a legal custody dispute involving your child, the parent, foster parent, or caregiver who is awarded legal custody of the child by the court or the state, a copy of the custody decree must be brought to school. Release of the child from that point forward will be determined by the instructions in the court or state decree. Without such a legal document in the child's file, in accordance with Louisiana law, the child may be released to either parent, upon presenting proper identification.

Allemands Elementary will not intervene, nor take sides in a disagreement between parents as to who shall have custody, who shall be available to visit the child at school, or who shall be able to pick up a child, until a court decree (decision) is rendered and submitted to the school. **A request made by one**

**parent instructing staff that the other parent is not to see or receive the child will not be honored without a legal document or restraining order.**

An educational agency or institution shall give full rights under the Act to either parent, unless the agency or institutions has been provided with evidence that there is a court order, state statute, or legally binding document relating to such matters as divorce, separation, or custody, that specifically revokes these rights.

In the case of divorce or separation, a school district must provide access to both natural parents, custodial and non-custodial, unless there is a legally binding document that specifically removes that parent's FERPA rights. In this context, a legally binding document is a court order or other legal paper that prohibits access to education record, or removes that parent's right to have knowledge about his or her child's education.

### **RESIDENCY CHANGES**

If a student moves to another residence within our school zone during the year, please notify the office of the address change and provide proof of residency. This is critical especially for bus routes. When a student moves to another school, the parents should notify the office. Parents are required to sign a records release form in order for the school records can be forwarded to the new school.

### **TELEPHONE USE**

Telephones in the office are for office use only. If your child is ill, the staff will call you. Students may not use the telephones and should not have a cell phone with them. Special circumstances for cell phones on campus must be approved by the administration. We do not give messages to students from parents.

### **NEW STUDENTS**

Students entering Allemands for the first time are required to present a copy of his/her birth certificate, an up-dated immunization record, social security card, phone number, and proofs of residency. If a child is entering Allemands from another school, the parent must provide the name of the former school and complete all required documents before the child is enrolled at Allemands Elementary.

### **BUILDING /CAMPUS EVACUATION PROCEDURES**

In order to be prepared for a crisis, building evacuations are practiced throughout the school year. If a campus evacuation is required, students will be picked up by school system buses and transported to an off-campus location. The off-campus site will be determined based on the situation and location of the crisis.

- **Fire Drills-** Fire drills are held monthly. Students will practice exiting the building quickly and in an orderly fashion with their teachers.
- **Tornado Drills-** Tornado drills are held each semester. Students move quickly and silently to interior walls and assume the tornado position (sitting down with knees up, head down, and hands over head or by kneeling down with hands over head).
- **Lock Down Drills-** Lock downs are practiced two times per year. Lights are turned off, doors are locked, blinds are closed, and students sit quietly on the floor in designated areas.

### **EMERGENCY RESPONSE PLAN**

A Crisis Management and Emergency Response Plan has been developed by the district which addresses multiple emergency/crisis situations and ways of dealing with them. All members of the school community have been assigned specific roles in the process and have been trained in the implementation of the procedures. Copies of the plan are available at all branches of the public library, building sites, and the School Board Office.

## **EXTREME WEATHER CONDITIONS**

During the course of any school day, events may occur which threaten the safety of both students and school staff. These disruptions may be weather related, man-made disasters, or situations within the boundaries of a building site. Whatever the situation, it is important that appropriate and well-organized action be taken. In the case of any severe condition in which the district has called for students to “shelter in place,” no student may be checked out until the district deems it safe for students to be returned to a normal classroom environment. Parents/guests are expected to “shelter in place” as well. A letter from the Superintendent referencing this is found on page 3. In the event of severe weather or school closings, please use the following news outlets for official St. Charles Parish Public School District information: Cox Cable Channel 6 or 8, all four major TV stations, WWL 870 AM, official twitter of St. Charles Parish Public Schools (@SCPPS), (985) 785-6289, or [www.stcharles.k12.la.us](http://www.stcharles.k12.la.us)

## **DISCIPLINE**

Discipline at Allemands Elementary is directly linked to Responsive Classroom which has six central components that integrate teaching, learning, and caring into the daily program. Emphasis is placed on students demonstrating positive character traits such as honesty, fairness, and respect through the development of social skills that enhances a student’s ability to exhibit what we refer to as C.A.R.E.S.: Cooperation, Assertion, Responsibility, Empathy, and Self-Control.

## **Allemands' Essential 11**

Allemands' Essential 11 are eleven expectations that we believe are essential to become a productive member in society. They were adapted from Ron Clark's "Essential 55: An Award-Winning Educator's Rules for Discovering the Successful Student in Every Child".

### **"Yes ma'am" "No sir" "Please" "Thank you"**

When responding to any adult, you must answer by saying "Yes, Ma'am" or "No, Sir." Say "Please..." and "Thank you..." when appropriate.

### **Eye-Contact**

Make eye-contact. When someone (adult and/or peer) is speaking, keep your eyes on him or her at all times.

### **“Hello”**

Greet faculty and staff, especially if you are greeted first by any faculty and/or staff member. It is such a nice gesture to also greet your peers and visitors to our school.

### **“Excuse me”**

If you and another person accidentally bump into one another, say "Excuse me." It doesn't matter who's at fault if the bump was truly an accident.

### **Hurt or Harm**

If ANYONE (peer, faculty/staff member) in our school hurts, harms you, or makes you feel uncomfortable, let the nearest adult know immediately. We are here to care for you and to protect you!

### **Honesty**

Always be honest, no matter the circumstance, even if you have done something wrong. "Honesty is the best policy!"

### **Good Sportsmanship**

If someone in the class wins a game or does something well, we will congratulate that person.

### **Random Acts of Kindness**

Surprise others by going out of your way to do something surprisingly kind or generous for them.

### **Pick it Up**

If someone drops something, pick it up for them. If you drop trash, pick it up and put it in the garbage. Keep our school beautiful!

### **Accept Mistakes**

Accept that we are going to make mistakes. Learn from them and move on.

### **Be the Best**

Be the best person you can be! By being the best you can be, we will be the best school that we can be!

## **SOCIAL AND EMOTIONAL DEVELOPMENT**

The Responsive Classroom Approach supports the development of social, emotional, and academic growth of our students in a strong and safe school community. How children learn is as important as what they learn- process and content go hand-in-hand.

1. **Classroom Organization** evokes active interest in students and provides a platform for teaching daily routines and procedures. Teachers create well thought-out spaces to include the organization of materials and furniture for student-generated displays as well as whole class, small group, and individualized instruction.
2. **Morning Meeting** sets a positive tone for beginning each school day. It provides children the daily opportunity to practice greeting one another, engage in conversations, and respectfully share thoughts/feelings/ideas. Morning Meeting promotes problem-solving skills, and motivates students to meet the academic challenges of the day ahead.
3. **Rules and Logical Consequences** are developed, modeled and role-played along with our students. As a result, students OWN our school/classroom rules and logical consequences which is the cornerstone of classroom management and community building.
4. **Academic Choice** encourages our students to be self-motivated learners by providing them with choices in their learning for the ultimate goal of becoming life-long, independent learners.

5. **Guided Discovery** is a method used to introduce materials and appropriate usage to our students through inquiry which tends to spark their interests. Guided Discovery teaches students to care for their own property as well as that of others and the school environment.
6. **Reaching Out to Families (Assessment and Reporting)** is an evolving process of mutual respect, communication, and understanding among families and our school. We continue to seek ways of connecting with families as partners in their children’s education. Research indicates that students achieve at higher levels when their families are actively involved.
7. **Closing Circle** is the structured finishing touch (closure) to each school day. The teacher and students quietly and calmly gather to reflect upon the day’s learning, activities, and events e.g., song, farewell gestures, etc. for the day are shared.
8. **Restorative Practices** are used to restore broken relationships. The aim of restorative practices is to develop community and to manage conflict and tensions by repairing harm and building relationships.

## **GROUP SIGNAL**

The “quiet signal” is used to immediately gain the attention of students, faculty/staff, and visitors when assembled in large groups on campus. When a raised hand or clapping rhythm is initiated by an adult, students and adults are expected to stop what they are doing, raise one arm straight in the air with palm facing forward (tap/touch a neighbor if necessary) or repeat the clapping pattern, focus attention on the adult who initiated the signal (in silence), and wait for the adult to proceed. Full cooperation is always expected in order to save time and to maintain the signal’s effectiveness. A variety of signals such as chimes, bells, spoken words or phrases like, “If you can hear my voice...” etc. may also be used.

## **BEHAVIOR INTERVENTIONS**

Minor infractions (such as name calling, continuous talking, outbursts, use of sarcasm, failure to bring materials to class, etc.) will be handled through classroom interventions with logical consequences. The goal of using logical consequences is to stop inappropriate behaviors while preserving the dignity of the student, giving the student an opportunity or chance to regain self-control, and helping the student to recognize the connection between their actions and the outcomes of those actions, and to encourage the student to learn from the experience and to internalize the rules. We want our students to reflect upon their actions by avoiding repeated behaviors that could cause problems in the future. Types of logical consequences include: “you break it--you fix it” (repairs and apologies of action), loss of privilege, and “take a break”/think chair. Some students may also be invited to participate in the “Mid Week Mash-up” in an effort to build appropriate relationships with adults on campus. Behavior interventions may be documented on an individual behavior chart.

## **STEPS TO REGAIN SELF-CONTROL**

1. When inappropriate behavior is exhibited, a brief timeout in the “calm down corner” is expected for the student to regain self-control. Once self-control is regained, the student is encouraged to rejoin daily routines/activities. If the behavior continues, the same procedures will follow.
2. If the student still chooses to exhibit inappropriate behavior(s) and is disrupting the learning environment, the student will be sent to a buddy teacher’s “calm down corner” again in order to regain control. As soon as control is regained, the student will return to class to resume regular activities. Using this timeout method provides the student an opportunity to responsibly self-correct or change the inappropriate behavior. **The teacher will contact the parent(s) to report the disruptive behavior.**
3. If a student continues the inappropriate behavior in the buddy teacher’s think chair or upon return to the classroom, the teacher will complete a minor behavior form, call a counselor, Mental Health Professional or administrator, or write a LA Department of Education Behavior Report.

## **EXTREME BEHAVIORS**

Some misbehaviors are of a serious nature and do not allow for the normal steps to be taken. A series of opportunities to regain self-control is granted; however, if students' right to learn is compromised by endangering himself/herself and/or others, an administrator is called to remove the student from the environment. Once an administrator is called, the teacher will complete a Louisiana Department of Education School Behavior Report and contact the student's parents.

This report can be written for the following reasons:

- Willful disobedience
- Treating authority with disrespect
- Bullying/threatening/teasing/taunting
- Using profane and/or obscene language
- Writing profane language or drawing obscene pictures
- Engaging in immoral or vicious practices
- Engaging in conduct injurious to his/her others
- Disturbing the school environment
- Habitually violating any school rule
- Instigating or participating in a fight
- Violating safety regulations
- Leaving school premises or class without permission
- Stealing/False Statements
- Defacing or vandalize school property
- Throwing objects potentially dangerous to others
- Committing any other serious offense

Administrators will determine appropriate action to be taken i.e., loss of privileges, in-school detentions, after school detentions, or out-of-school suspensions based upon the frequency and/or severity of the behavior.

## **IN-SCHOOL DETENTION**

If serving an in-school detention, a student is removed from his normal academic setting and is assigned to an in-school detention monitor. While serving an in-school detention, students are expected to complete work the teacher provides. Failure to complete assignments or comply with rules during in-school detention will result in an additional consequences.

## **FIGHTING**

Fighting is the use of physical exchanges such as blows with fists or other objects in an attempt to overpower one another. St. Charles Parish Public Schools deems fighting unnecessary and inappropriate as a means to solve problems. As such, fighting will be handled as a serious offense.

Using self-defense as a reason for engaging in a fight is limited to the following constraint:

Self-defense is the right of an individual to protect oneself by using force upon another when it can be reasonably concluded that force was used solely for the purpose of preventing a forcible offense against oneself.

A person who is the aggressor (the one who starts the fight) cannot claim the right of self-defense. A student cannot claim the right of self-defense whenever help or flight is available. Responding to a verbal confrontation by using physical force is not acceptable and cannot be claimed as self-defense.

## **DRUGS AND ALCOHOL**

The use, possession, selling, or distribution of drugs or alcohol will result in the recommendation of suspension or expulsion for the student(s).

## **BUILDINGS, RESOURCES, AND EQUIPMENT**

Students are liable for damages to school property and are urged to take the utmost care and pride in their school. Abusing, defacing, or damaging any school property including the school bus, technology, and any school resources will result in being responsible for making repairs or providing restitution to the school. Classroom resource books, class library books, literacy books, library books, chromebooks, transportation cards, and other technology are loaned to the students for school use. Care must be taken in using these items. Students will be required to pay for lost or damaged resources.

## **STUDENT RECOGNITION**

A Star Student (one per class) is selected weekly. This honor is bestowed upon individuals demonstrating C.A.R.E.S. (Cooperation, Assertion, Responsibility, Empathy, & Self-Control), the Essential 11, and the Catfish Character Traits. Star Students are recognized by administration on the announcements, photograph taken, given a crown, have lunch with the counselor, and are featured on a bulletin board. It is not a rotation within the class; students must consistently show these characteristics to be selected.

Students making improvements in their behavior will be recognized as Rising Stars. These students will be selected weekly by teachers and will have their name announced, given a sticker, take a picture, and have lunch with the counselor. These students will demonstrate CARES, Essential 11 and Character Traits; however, they are working to showing these traits more consistently.

Good Citizens are selected from our pool of Star Students each month. We recognize students for demonstrating good citizenship. These students will be pictured on the school's webpage, in newsletters, and on the school's twitter page in addition to being sent to the local newspaper. They are recognized during our monthly Community Morning Meetings and provided a certificate and pencil.

Students are selected as the "Most Improved Student" of the month. We will recognize students for specific improvements made. These students will be pictured on the school's webpage, in newsletters, and on the school's twitter page in addition to being sent to the local newspaper. They are recognized during our monthly Community Morning Meetings and provided a certificate and pencil.

We will have a monthly attendance goal. If our school meets or surpasses the attendance goal, students will celebrate as a school.

## **STUDENT CELEBRATIONS**

Classes will be allowed to celebrate with one another, but food items must be **commercially prepared (store bought)** and ready for individual distribution. If a parent does not wish for a child to participate in a certain celebration, please notify the teacher. **Before sending anything to school, please check with your child's teacher.** A December holiday party will be permitted without the exchange of gifts. Spring celebrations will be determined by the teacher after it is approved by administration. Personal birthday invitations are not allowed to be distributed at school unless the entire class is invited, and staff members cannot provide a list of names of the students in the classroom. Birthday celebrations are coordinated with student brain breaks. Parents may drop off commercially prepared snacks but are not permitted to attend birthday celebrations.

## **COMMUNICATION WITH TEACHERS**

Teachers will communicate with parents via text, phone calls, and emails. When you receive a call or text from your child's teachers, it is recommended to save this number with your child's teacher's name. All calls and texts from your child's teacher will use the same number through the program.

## **GOOGLE CLASSROOM AND GOOGLE MEET**

Teachers will create a Google Classroom for your child's class. This is a virtual classroom for you to find important information. Please make sure your child's teacher has your most current email address in order for the teacher to invite you to join the virtual classroom. By adding your email, you will receive updates when the teacher posts assignments. Using the app on your phone is an easy way to access the Google Classroom and Meet.

## **VISITORS**

Our visitors must sign-in, show photo identification, and receive a visitor's badge from the office. It is against the law to smoke or vape on school property. The badge will indicate the specific location of your visit; this is the only location that the visitor has permission to go. Students from other schools are not allowed at AES during the school day unless permission is granted by the principal. For some events, wristbands or a notification of attendance may be required. Make sure to read the event form carefully to ensure your attendance to the events.

To prevent interference with instruction, all observations must be requested in writing, and a mutually agreed-upon time must be decided and agreed upon with the teacher, parent/guardian, and principal. The regular school program must continue during such visits. Therefore, parents/guardians must refrain from engaging the attention of the teacher or students through conversation or other means. Parents/legal guardians must request (in writing) to visit their child's classroom. Classroom visits will be guided and supervised by the principal or principal's designee. Daily or routine extended classroom observations by parents or guardians are not allowed. Observations will not exceed 45 minutes. To protect the privacy of our students, no electronic devices may be used during any scheduled classroom observations. The principal reserves the right to deny requests to observe classes when she/he believes the visit will interfere with instruction, jeopardize student confidentiality, or disrupt the learning environment. Visits during testing sessions are will not be allowed. Parents may request a follow up conference with the teacher if necessary.

## **PARENT TEACHER CONFERENCES**

Allemands holds Parent-Teacher Conferences twice during the school year. Parents are expected to attend both conferences and are encouraged to schedule a conference at any other time during the school year if the need arises. **Teachers are only able to meet with parents or legal guardians.** If needed, conferences will be held virtually. If additional conferences are necessary, please contact your child's teacher.

## **VOLUNTEER PROGRAM**

Allemands has a very active volunteer group which contributes to the effectiveness of the entire school program. We will hold one organized Volunteer Day a month. Please read all correspondence to see how you can support our teachers and students. All assistance is greatly appreciated! Contact our Family Literacy Teacher if you have any questions about volunteering.

## **FIELD TRIPS**

Field trips provide an important opportunity for children to take part in real-life experiences as well as acquiring knowledge before beginning a unit of study or to help them refine their understanding after a

unit of study. You will be notified of field trips in advance because parent permission is necessary for your child to participate. The teacher will send home a permission form for each field trip. It is important for you to promptly return the signed permission slip each time your child is scheduled for a trip. **If a signed permission slip is not submitted by the day before the field trip, your child will not be allowed to participate in the field trip.** Because of the variety of accommodations and regulations involved in planning/organizing field trips, the teacher may request chaperones. Chaperones are expected to fully assist the teacher while on the trip; chaperones must come to AES to sign-in prior to the field trip. If a child doesn't have a parent as a chaperone, the child will be assigned to another chaperone. **Siblings are not allowed on any field trip.** Occasionally, a parent may be requested to attend a field trip with his/her child if it is a safety concern and approved by the principal.

**If your child typically receives medication at school, you have three options regarding medication and field trips including:**

1. The parent and/or designated non-school employee (adult) may accompany a child on a field trip and administer the appropriate medication.
2. The dosage of medication may be skipped the day of the field trip with written permission of the parent and doctor if necessary.
3. The dosage of medication can be delayed the day of the field trip with written permission of the parent and can be administered upon the student's return to school from the field trip.

**If no options are agreeable to the parent, the child will remain at school. The principal or designee will assign the student to a class in which the student is to participate until the teacher and classmates have returned from the field trip.**

### **ALLEMANDS CHAPERONE INFORMATION**

All chaperones will be required to read and sign a document that includes the field trip expectations; important safeguards for chaperones to follow while on any field trip are included. Any chaperone not following the instructions below will not be allowed to chaperone future field trips.

- 1) Parents must sign the chaperone agreement to attend.
- 2) Parents are responsible for the children they are assigned to monitor. They must monitor students at all times and keep their assigned group together.
- 3) Parents must follow the lead teacher's instructions.
- 4) In case of an emergency, stay calm and find the teacher.
- 5) The purchasing of souvenirs is not allowed.
- 6) Parents are not allowed to smoke, vape, or drink alcohol on field trips.
- 7) Parents are expected to wear school-appropriate clothes.
- 8) Parents must meet at AES on the day of the field trip to be scanned by the Raptor visitor system and receive a chaperone pass.
- 9) **For the safety of all students, chaperones may not bring siblings on field trips.**

### **DOCUMENTATION OF STUDENT PROGRESS**

Report cards and progress reports are used to provide progress to parents on the student's progress toward mastering grade level requirements. Each report card and progress report represents a report of progress regarding your child's current performance. Progress reports are issued mid-way through the nine weeks, and report cards are issued at the end of the nine-week period. A final report card is issued at the end of the school year. Please take some time to review the documentation of their progress with your child. At the end of the year, a student will be referred to the School Building Level committee if he/she does not meet all Pupil Progression Plan requirements. The committee will then determine if the student will be placed or retained. The principal will call parents of any student who is retained with the classroom teacher by the end of the school year.

## **TESTING**

All students will be given district and state mandated tests during the school year.

### **Kindergarten**

- DRDP
- DIBELS 8<sup>th</sup> Edition Reading Screener
- CKLA Skills, CKLA Knowledge and Math Assessments

### **First Grade**

- Literacy Screening
- DIBELS 8<sup>th</sup> Edition Reading Screener
- CKLA Skills, CKLA Knowledge and Math Assessments

### **Second Grade**

- DIBELS 8<sup>th</sup> Edition Reading Screener
- CKLA Skills, CKLA Knowledge and Math Assessments

**All assessments are given to determine needs, guide instruction, and monitor progress.**

## **PROMOTION AND RETENTION**

The St. Charles Parish Pupil Progression Plan (PPP) is a comprehensive promotion policy. The PPP identifies what will be required of public school children in order to pass each grade. Particular emphasis is placed on attendance and the student's mastery of the standards in mathematics, reading, and language/writing. In addition to a phone call from the principal, retention notices and a copy of the appropriate appeal form will be sent by postal mail. Requests for grade placement appeals to SBLC must be made on the appropriate form by the deadline.

## **HOMEWORK**

Homework is any assignment given by the teacher which the student is responsible for completing on his own time. Some of the homework assignments will be completed on the district-loaned chromebooks. For families without Wi-Fi services, each public school's parking lot will have Wi-Fi available for home learning.

Homework provides students with opportunities to deepen their understanding and skills relative to the content that has been taught or will be taught. The purposes for homework are to practice content/skills with which students are very familiar, to prepare students for a new topic of study, and to have students elaborate on newly introduced topics or concepts.

## **CHILD NUTRITION**

### **2023-24 Student Handbook Information**

The St. Charles Parish Public School System offers nutritious breakfast and lunch meals each school day. In addition, a variety of food items is offered as "extra sales." Students may pay for extra items daily or the cashier may deduct the sale from the student's prepaid account. Please contact the cafeteria manager at your child's school if you do not wish for your child to purchase extra sale items.

### **Community Eligibility Provision**

We are pleased to inform you that St. Charles Parish Public Schools will continue to participate in the National School Lunch and School Breakfast Programs provision called the Community Eligibility Provision (CEP) for School Year 2023-2024.

All students enrolled in St. Charles Parish Public Schools are eligible to receive one healthy breakfast and one healthy lunch at school each day at no charge to your household for the 2023-2024 school year.

This applies to students enrolled at the following schools/centers: Allemands Elementary, Ethel Schoeffner Elementary, Lakewood Elementary, Luling Elementary, Mimosa Park Elementary, Norco Elementary, New Sarpy Elementary, RJ Vial Elementary, St. Rose Elementary, Albert Cammon Middle, Harry Hurst Middle, JB Martin Middle, RK Smith Middle, Destrehan High, Hahnville High, Carver Early Learning Center, and East Bank Head Start Center.

No further action is required of you. Your children will be able to participate in these meal programs without having to pay a fee or submit a meal application.

For additional information, please contact: Jenny DeRoche, Director of Child Nutrition, 13855 River Road Luling, LA 70070, 985-785-3179, [jderoche@stcharles.k12.la.us](mailto:jderoche@stcharles.k12.la.us).

## **Free and Reduced Price Meal Applications**

Because St. Charles Parish Public Schools is participating in the Community Eligibility Provision (CEP), Free and Reduced Price Meal Applications are not being accepted for the 2023-24 school year.

Please see the links on the Child Nutrition webpage for Extra Sales Prices. items available for extra sales may vary by cafeteria.

## **Online Meal Payment System & Pre-Payment Procedures**

An online school meal payment system is available allowing parents to make payments to students' school meal accounts and check account balances via the internet or telephone. All parents who want to utilize the payment system are required to create an account at [www.MySchoolBucks.com](http://www.MySchoolBucks.com).

This service allows parents to deposit funds directly into their children's school meal account via on-line transactions. In addition, parents can view student account balance and purchase history, as well as set up E-mail reminders and low balance notifications.

A small transaction fee will be charged for payments made with a credit card, debit card, checking account, or savings account. There is NO charge for viewing account balances. Anyone having questions or problems can get technical support via the website or by emailing [parentsupport@myschoolbucks.com](mailto:parentsupport@myschoolbucks.com) or by calling 1-855-832-5226.

The procedure for paying for meals and extra sales items is to PRE-PAY. A check, cash, or money order should be sent in a sealed envelope with the student's first and last name (no nicknames please) and the amount enclosed written on the outside of the envelope. Payment envelopes can also be obtained from

the cafeteria manager. Money must be in the account before purchasing an extra sales item. NO CHARGES will be accepted. This policy is for everyone: students, staff, and visitors.

To ensure that all checks for meal payments clear prior to the end of school, no checks will be accepted after May 1, 2024. There will be a \$15.00 charge for all NSF checks. At the end of the school year, parents may receive a refund of unused money from the student's account by requesting it, in writing, from the cafeteria manager prior to the last day of school; or the funds may remain in the student's account for use in the following school year.

### **Removal of Food from the School's Cafeteria**

Food and beverages purchased or provided from the school cafeteria must be consumed on the school's premises, with the exception of school-sponsored meetings and field trips.

### **Food and Beverages Brought Into the School's Cafeteria**

Carbonated beverages are not allowed in the school's cafeteria during student meal times by students, staff, or visitors. Only milk, water, 100% juice products, and other beverages consisting of 50% real fruit juice may be allowed in meal service areas during student meal times for all grade levels.

### **Prohibited Foods and Beverages**

Doughnuts, Danish pastries, and other fried or fat laden breads are not to be provided to students starting 30 minutes prior to the start of the school day through 30 minutes after the end of the school day for all grade levels.

### **District Wellness Policy**

The district's wellness plan, Eat Smart, promotes healthy lifestyle choices that include daily physical activity and healthy eating to meet the Dietary Guidelines for Americans. To obtain procedures for meeting goals set forth in the plan, go to the Wellness Corner on the St. Charles Parish Public Schools Child Nutrition webpage.

### **NON-DISCRIMINATION STATEMENT**

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, this institution is prohibited from discriminating on the basis of race, color, national origin, sex (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity. Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication to obtain program information (e.g., Braille, large print, audiotape, American Sign Language), should contact the responsible state or local agency that administers the program or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. To file a program discrimination complaint, a Complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form which can be obtained online at: <https://www.usda.gov/sites/default/files/documents/USDA-OASCR%20P-Complaint-Form-0508-0002-508-11-28-17Fax2Mail.pdf>, from any USDA office, by calling (866) 632-9992, or by writing a letter addressed to USDA. The letter must contain the complainant's name, address, telephone number, and a written description of the alleged discriminatory action in sufficient detail to inform the Assistant Secretary for Civil Rights (ASCR) about the nature and date of an alleged civil rights violation. The completed AD-3027 form or letter must be submitted to USDA by: (1) mail: U.S. Department of Agriculture Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue SW, Washington, D.C. 20250-9410; or (2) fax: (833) 256-1665 or (202) 690-7442; or (3) email: [program.intake@usda.gov](mailto:program.intake@usda.gov). This institution is an equal opportunity provider. [2022]

## **BREAKFAST AND LUNCH**

Prekindergarten, 1<sup>st</sup>, and 2<sup>nd</sup> grade students will eat breakfast in their classroom; kindergarten students will eat in the cafeteria. The students will wash their hands before eating. Breakfast will not be served to students arriving at school after 8:45 am unless they are riding a late bus. Lunch is served daily in the cafeteria. Students may bring a lunch from home, but parents should provide a well-balanced lunch. Cake, chips, candy, and soft drinks are not acceptable.

## **LUNCH WITH STUDENTS**

**We will not have any lunch visitors for the first six weeks of school to help our students adjust and learn the routines of the cafeteria.** We will send information about lunch visitors when it is time to begin. In order to eat lunch with students, the person must be on the **child's emergency card**.

On the day of the lunch visit, parents wishing to eat lunch with their child must first check-in at the office with identification to receive a visitor's pass and special lunch date form. Parents will present the form to cafeteria monitors and sit with their child on the **picnic tables outside**. Students **may not** invite friends to join them. Parents must return the visitor pass to the office immediately after lunch.

If you are planning to eat lunch with your child and will need a school lunch, you must notify the cafeteria manager before 9:30 AM on the day you will be eating a school lunch. If you have not preordered a cafeteria lunch, one may not be available.

## **AES CALENDAR**

The events listed in the chart are subject to change and are not all-inclusive. Please make sure to check your child's Allemands folder weekly for flyers advertising events and providing the specific guidelines for the event.

Evening events and performances are not mandatory, but participation is encouraged because the students will have spent hours rehearsing to put on a stellar performance for you to enjoy. However, parents and students are required to abide by the details that will be shared closer to the event for arrival, dismissal, dress code, and other expectations. If you cannot adhere to the expectations as a participant, we encourage you to be an audience member instead. If you have a personal situation preventing you from participating in the event as planned, you must contact your child's teacher to discuss your situation prior to the event. All participants will be expected to adhere to the event guidelines.
