**HHS Robotics and Engineering**

## HHS Robotics and Engineering

**FRC Team 2183**

**The Tigerbots**

The HHS Tigerbots are hard at work getting ready for the new season. Our 2016-2017 Season was very successful. We competed at the Lone Star Regional, Bayou Regional and were invited to compete at the FIRST Robotics National Championship in Houston, TX We have welcomed many new members this year and are eagerly awaiting the Official Competition Kick-Off in January. After the kick-off we will work frantically six days a week for six weeks to build a competition robot. The robot will then be bagged as we wait for the regional competition!

FRC combines the excitement of sport with the rigors of science and technology. Under strict rules, limited resources, and time limits, our team of students raise funds, design a team "brand," hone teamwork skills, build and program robots to perform prescribed tasks against a field of competitors. It's as close to "real-world engineering" as a student can get.

Parts, materials, competition fees, team merchandise, and travel costs for a FIRST Robotics Team are substantial. They can amount to upwards of \$20,000 a season.

Corporate and community sponsorship is essential. Hahnville High School Robotics is an IRS 501(c) 3 organization. Your donation to the team is tax deductible. Our tax ID number: 726001-209

Your company will receive publicity and recognition with leading corporations in the industry.

Your support helps students learn about the real world of science and technology, opening the doors of opportunity to many scholarships and future employment through gained knowledge and skill application.

## Sponsorship

### \$50 Supporter

- Website and social media pages

### \$100 Sponsor

- Small logo on pit

### \$500 Bronze

- Medium Logo -Pit /Promotional Media

### \$1,000 Silver

- Small Logo—Pit/Promotional Media & Team Shirts

### \$2,500-Gold Sponsor

- Medium- Logo Pit/Promotional Media & Team Shirts

### \$5,000-Platinum Sponsor

- Medium Logo—Pit/Promotional Media , Team Shirts and Robot

### \$10,000-Diamond Sponsor

- Large Logo—Pit/Promotional Media, Team Shirts and Robot
