

Math 7: Week of 10.5.20 -10.9.20 (Week 9)

	Outcomes	Assignments (Main things done in class)
Monday, 10.5.2020 M2 L22 7. EE.A.1	<ul style="list-style-type: none"> I can understand the properties of equality. I can solve equations for the value of the variable using inverse operations 	<p>Bellringer: District DMR Discussion: pg. 69 Exercise 1; pg. 70 Exercise 2; pg. 71 Lesson Summary; pg. 73 Example 2 Practice: pg. 74 Exercise 1; pg. 75 Exercise 4 (Change 2 to -2); pg. 76 PS #'s 1-5</p> <p>Homework: Complete PS pg. 76</p>
Tuesday, 10.6.2020 M2 L23 7. EE.A.1	<ul style="list-style-type: none"> I can understand the properties of equality. I can solve equations for the value of the variable using inverse operations. 	<p>Bellringer: District DMR (10) Discussion: Page 77 Exercise 1a-c; Page 79-80 Exercise 2a-e Practice : Page 80 Exercise 3; Exit Ticket Lesson 23 page 13</p> <p>Homework: Finish any practice above; review any videos or flipcharts on Google classroom as needed</p>
Wednesday, 10.7.2020 Review/Reteach 7. EE.A.1	<ul style="list-style-type: none"> I can perform all operations with rational numbers. I can rewrite rational number expressions by combining like terms. I can generate equivalent expressions by applying the distributive property. 	<p>Guided/Practice: Study Guide given on Monday</p> <p>Homework: Finish the study guide and be ready to turn it in tomorrow</p>
Thursday, 10.8.2020 Test 7. EE.A.1	<ul style="list-style-type: none"> I can perform all operations with rational numbers. I can rewrite rational number expressions by combining like terms. I can generate equivalent expressions by applying the distributive property. 	<p>Test Module 3A and 2C; study guide due</p> <p>Homework: Reflect on today's test and how you felt taking it. Determine what topics or skills you are still struggling with.</p>
Friday, 10.9.2020 Early Dismissal 7.NS.A.1	<ul style="list-style-type: none"> I can explain and apply the rules for adding rational numbers. I can subtract positive and negative rational numbers. 	<p>Practice: Integer fluency quiz (Spiral review)</p>

Highlights: Test Thursday 10/8 on M3 L1-6 and M2 L17, 21-23

Notes:

- **10.9.2020 - Early Dismissal**
- **10.12.2020 - Fall Break**
- **10.15-10.16 - Early Dismissal (Parent-Teacher Conferences)**
- **10.16.2020 - End of Quarter 1**
