PROCEDURES AND EXPECTATIONS

pay Attention ALways

PAY
ATTENTION
TO ME!

HEY, Pay
ATTENTION!

I might not be the most interesting, but what I have to say is **VERY** important. I do not repeat myself. I will **NOT** say something more than three times. If you miss it, better ask a friend.

FOLLOW Directions

Follow all directions! I will only give them a few times. Routines and directions are what lead and help out daily life. Follow them in class, and you will be fine!

NO PHONES!

ABSOLUTELY, POSITIVELY, NO CELL PHONES IN CLASS! I will take them and you will get a referral. I'm very good at catching them, Ask your upperclassmen friends. I hold a record. True story. Don't even ask...kthanks 😊

WE'RE
DONE.

I'M
WAITING

Tardies

I'M OUT.

If you are tardy, you **MUST** go get a pass from the **OFFICE!** You will not be allowed into class late without a pass. School rule: you **MUST** be in your assigned seat when the bell rings. IF you are UP without permission, then you are tardy. I really stick to this rule...you've been warned!

grades

If you want a grade, you better: PUT YOUR NAME ON IT and TURN IT IN. Check Power School weekly, and Google Classroom daily. Be sure that you are not missing any assignments. If you are absent, everything is on Google Classroom, and it is your responsibility to complete what is missed.

Respect Property

Well, you know what they say.
You break it, you buy it.

You break...You pay! Maybe not pay in money BUT lunch detentions and referrals are in your future if you damage anything in this room. DO NOT disrespect furniture, property (mine or someone else), or technology that does not belong to you.

passes

If you want to go to the bathroom, nurse, office, library, etc... You must have a pass in your agenda. If you don't and it's an EMERGENCY then I will let you go, but you owe me a lunch detention. Before leaving, you must sign out AND grab the right pass from the hooks.

NO Eating

**NO EATING! NONE!
NOT AT ALL!
Don't Ask. BIG no.**

FEED ME!

chrome BOOKS

1. TWO Hands
2. Plug it in at home daily
3. Always sign off
4. Do not deface them
5. Must bring to class daily

A Few More Things

1. At the start of each class, there will be a What's Happening Now Slide on the board. Be sure to read over it, and complete anything listed.
2. Do not wander around the room. Maintain social distance. Wear mask appropriately throughout class, and in hallways.
3. Do not sit on the desks!!!
4. More respect you give, the better off we all are
5. I play music everyday, this isn't a karaoke bar. Please don't sing...unless you sing like Carrie or Beyonce, then maybe...
6. When I want your attention, I use two different ways: 54321, or "What's happenin?" and you say "what's up?"

Materials

- 1. 1–1.5 inch Binder**
- 2. One Pack of 5 Binder Dividers**
- 3. 3 Pronged Pocket Folder**
- 4. Chrome Book**
- 5. Pens, Pencils, highlighters**

**CHECK YA
DRAMA AT
THE DOOR!!!!**

Let's talk Drills

1. Fire Drills — Line up in area by football field. Find the Red Sox flag, and line up single file. If I beat you to the line, we will have a problem!
2. Tornado — Stay away from windows. Not allowed to leave room/building. Will sit on the floor by desk area. DO NOT TOUCH MY STUFF 😊
3. Lockdown — THE MOST IMPORTANT! No talking. No laughing. Limit all sounds out of your control. Gather in corner by desk, and sit in SILENCE! Lights will be turned off and door locked. If you make any noise you WILL get a referral. Not joking.

one more thing...

It is a district, parish, and state policy that there is no Tobacco on campus. This includes nicotine of any kind. DO NOT bring any kind of vape or juul to school. Especially do not bring it into this class. Do not vape or juul in this classroom. There are serious consequences for this. It is not good for your health and education, and it is against the LAW to have these products on campus. You will get caught and you will get into serious trouble.

JUST DON'T!
