

**Walker Permission Form
2023-2024**

In order for a student to walk to and from school, please read, sign, and return this form to the office. A student will not be allowed to walk to or from school until permission is received. Walkers must live a safe distance from the school.

It is imperative that each student arrives at school on time. Students may not enter the school before 7:40 am. If your child arrives before 7:40 am, there will be no supervision.

Walkers should enter the school through the front entrance.

During afternoon dismissal, a staff member will escort walkers to E. Heather Drive after the buses are dismissed in the afternoon. In case of inclement weather, students will not be allowed to walk home.

Please inform your child of the safety procedures for walking to and from school. Failure to walk in a safe manner to or from school will result in walking privileges being revoked.

We want students to be safe and successful at Lakewood Elementary; and by working together, we can achieve this goal.

Thank you.

My child, _____, has my permission to walk to and from Lakewood Elementary during the 2023-2024 school year. I realize that by signing this form I am releasing the school system, the school itself, or any employee of the school of any responsibility/liability regarding my child's safety and welfare during the walk to and from school. I also understand that the privilege of walking to and from school may be revoked if safety becomes a concern.
